* - Price Available Upon Consultation.

COMFORT MENU

Our Comfort Menu is designed to relieve the physical and mental concerns associated with our procedures. If you have any questions regarding whether these services are right for you, please contact our team prior to your procedure

PAIN RELIEF

Cryo Chiller

V M G A W

This service is intended to minimize pain and thermal discomfort during select laser procedures and dermatological treatments for temporary topical anesthetic relief. It uses cooled air for efficient pain treatment, swelling reduction and muscle relaxation.

Numbing Injection

V M G A W

This add-on service is designed to provide extra ease for sensitive patients. A numbing solution is injected to your treatment site instead of a topical numbing. This will allow for reduced sensitivity for the duration of your procedure.

150

ProNox

V M

Using a fixed, FDA cleared blend of Nitrous Oxide and Oxygen, this service is an analgesic gas delivery system designed for patients to have 100% control through self-administration. Upon decades of extensive research and proven success, a mixture of nitrous oxide provides short-term pain, anxiety, and stress relief so you can receive any service with assured ease.

150

MEDSPA

Our facilities deliver quality care and attention to each patient. By blending medicine and aesthetics, our expert team tailors your treatments to your needs, lifestyle, and wellness goals in a relaxing and calming environment. Discover the Dermesthetics difference.

HYDRAFACIAL

V M G A W

One Three

Signature Hydrafacial 250 675

This refreshing treatment deeply cleanses, exfoliates, extracts, and hydrates the skin

Deluxe Hydrafacial 325 875

This rejuvenating treatment deeply cleanses, exfoliates, extracts, and hydrates the skin. It concludes with a customized Booster Serum and LED Therapy for that extra glow

Platinum Hydrafacial 375 995

This revitalizing treatment begins with lymphatic drainage to sculpt and detox. It then deeply cleanses, exfoliates, extracts, and hydrates the skin and concludes with a customized Booster Serum and LED Therapy for that extra glow.

HydraGlow Renewal 450 1250

HydraFacial + Laser Genesis Experience the ultimate fusion of instant radiance and long-term rejuvenation. This advanced treatment starts with a HydraFacial, which deeply cleanses, exfoliates, and infuses the skin with powerful serums, leaving your complexion refreshed, hydrated, and radiant. We follow with Laser Genesis, a non-invasive laser therapy that gently heats the deeper layers of your skin to stimulate collagen, minimize redness, smooth texture, and soften fine lines.

CUSTOM FACIAL

V M G A W

Custom Facial 200

A customizable facial is a personalized skincare treatment designed to address your skin's unique needs. Instead of a one size fits all approach, your skin will be carefully assessed to identify specific concerns such as acne, dryness, sensitivity, aging, or pigmentation, along with your treatment goals. Based on this evaluation, targeted products, techniques, and tools will be selected to deliver optimal results.

HEALTH AND WELLNESS

WEIGHT LOSS & MANAGEMENT **V M G A W**

InBody Body Composition Analysis 75

This comprehensive full-body scan measures weight, muscle mass, fat mass, water percentage, and more. This service is included as part of the Weight Loss Consultation, or a-la-carte for any patient.

Weight Loss Consultation 150

During your initial visit, your provider will assess your medical history, lifestyle, ultimate goals, and the program overview. This visit also includes the InBody Body Composition Analysis.

One Month Program 675+

Dermestetics offers Semaglutide as well as Tirzepatide. Your medication and dosage will be curated by your provider following a consultation to ensure a customized approach for your individual needs.

BODY CONTOURING

Bringing the best non-invasive body contouring treatments in Northern Virginia. Our powerful machines reduce stubborn fat and tone muscle to contour and shape different areas of the body.
